This Saturday's Patriot-News had an interesting comparison of budgets proposed by the House and the Senate. Most areas look like they will receive close to the same amount as the previous year, but look at this: Pennsylvania libraries received \$75.8 million from the State in the fiscal year 2008-09. The House has proposed giving PA libraries \$68 million for the coming fiscal year, but the Senate wants to

slash that amount to \$37 million! We need you to call, write or email your local representatives (especially your Senator) today! The Library still has pre-addressed postcards for Governor Rendell, Senator Folmer, Representative Gingrich, and Representative Swanger. Please pick some up today and make your voice heard! You can also contact them by phone or email. Go to <http://tiny.cc/hJVdgd> to find out who your Representative is, then click their name to email them. Thank you for your support!

Harry Truman's Excellent Adventure: The True Story of a Great American Road Trip By Matthew Algeo

Climb into the backseat of Harry and Bess's 1953 Chrysler New Yorker and hit the road. Matthew Algeo re-traced his steps and met some people who remembered encountering the former president. For some odd reason, he thought he could travel unrecognized. Algeo occasionally digresses to tell us about what was going on in the nation at the time. A very enjoyable read.
