The Ultimate Bookmobile

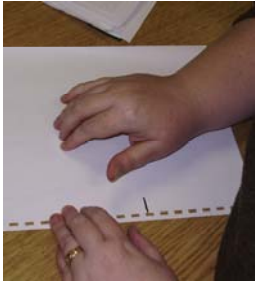

It's got 8000 titles, neatly shelved behind glass doors in paneled bookcases. Sumptuous amenities. Spectacular views. Librarian with a charming accent. A renowned author may drop by to lecture on the art of writing. But it won't be coming down your street any time soon. This one's on the Queen Mary II. You'll have to book passage but, hey, the library's free. Be sure to return your book before you disembark or you'll end up in the brig. Hmmm, maybe that's not so bad.
